

OSF Charette Draft Agenda
Fostering a New Era in Global Drug Policy
August 19th and 20th, 2014
New York

DAY 1: TUESDAY, AUGUST 19TH

8:15am **Beverages and Light Breakfast Available**

9:00 **Welcome and introductions**

We'll bring the meeting to order with words of welcome and short introductions. The agenda and logistics will be briefly reviewed before we move into charette discussions.

9:30 **Interactive Plenary: Addressing the Open Issues**

This session will provide a collaborative opportunity for participants to share and compare views on the broad range of issues extant when considering global drug policy reform.

10:15 **Break**

10:30 **Visioning Success: Discussion of goals and outcomes**

Before moving to roadmapping and working sessions, the group will consider the range of possible goal and outcomes in play, with the goal of concretizing the focus of shared framework objectives. As part of the process, we will generate a map of open questions, issues and opportunities relevant to the agenda, which will then be used to inform subsequent sessions and discussions.

12:30pm **Lunch**

1:30 **Initial "Roadmapping"**

As a first step toward concrete outcomes, and an action plan in the form of a "roadmap", we will capture what is known about milestones and timelines leading up the UN General Assembly Special Session meetings and beyond. A primary objective of this mapping will be to surface any additional unknowns, while providing scaffolding for outputs of subsequent sessions

2:30 **Break**

2:45 **Working Groups**

Working groups will address a range out desired charette outcomes including:

- Tasks required to move the initial roadmap from concept to reality, including specific activities (e.g. new grants, advocacy etc.), necessary inputs (e.g. research, relationships etc.) and accountability roles required by OSF entities and external partners participating in this project;
- Identification of topic-specific priorities for engagement/advocacy, including a public health perspective (harm reduction), justice/human rights perspective (encouraging alternatives to mass incarceration), general policy perspective (supply-side and legalization issues) and

- national/regional perspectives for domestic government and civil society engagement;
- Basic priorities, particularly target audience(s) and goals, to support the development of a communications and mobilization strategy;
- Visualizations of stakeholders and networks; and
- Response to questions posed by the Global Board.

4:30 Closing Plenary

We'll review the progress of the day and look ahead to set priorities for Day 2.

5:30 Cocktails

7:00 Group Dinner
