The draft agenda for the Greentree Program looks OK, and I would go along with the grant.

Dear Aryeh,

As we discussed during last week's JEHT emergency fund docket meeting, we are enclosing some additional documents for your review in connection with our recommendation to support the Aspen Institute's training program for judges in international human rights and humanitarian law. Enclosed are:

- Draft agenda with proposed moderators
- List of judges who have attended seminars
- Compilation of decisions written by alumni judges

We hope you will consider approving the grant. Atlantic is also providing some funding for the program to fill the gap caused by JEHT's closure.

Best,
Ann
