\$16,906,965	Total Giving
78	Grants
27	Foundations
34	Recipients

About the Data

This growing and dynamic data set represents foundation funding for several key areas related to U.S. democracy from 2011-present. Drawn from IRS tax returns, direct reporting of grants data by foundations, and other public sources, the information is most complete for 2011 with new data coming in for successive years. If your foundation's grants are not represented here or you'd like to request revisions, send us an e-mail. For additional information on the data set, visit the [FAQs](#).
