2009-2010 Total					\$121,395,000		

Pipeline Grants and Unallocated Funds 2010-1012

Organization Name	Project Title	Begin Date	End Date	Term	Amount	Purpose
SOCIAL INNOVATION FUND						
New Profit, Inc.	Social Innovation Fund	7/1/2010	7/1/2011	1 yr.	\$1,500,000	to identify and co-invest in a potent portfolio of results-driven organizations that are capable of providing innovative, scalable and cost-effective solutions in the areas of benefits access, workforce preparedness and college readiness to some of America's most disconnected young adults. Grant funds will support New Profit's application to become a Social Innovation Fund intermediary.
The Mayor's Fund to Advance New York City	Social Innovation Fund	1/1/2010	12/31/2011	2 yrs.	\$2,000,000	to replicate promising anti-poverty programs through the country, in partnership with the NYC Center for Economic Opportunity, with federal monies from the Social Innovation Fund. To accomplish this purpose, the Mayor's Fund and CEO will work closely with a number of collaborators, including MDRC (lead evaluator), municipal governments, national & regional foundations, and local nonprofits. Grant funds will support The Mayor's Fund application to become a Social Innovation Fund intermediary.
The Edna McConnell Clark Foundation	Social Innovation Fund				\$2,000,000	to invest in growth ready youth development organizations that work with the most disadvantaged youth in low-income communities, building the capacity and evidence base they need to scale their programs significantly and serve more youth. Grant funds will support Edna McConnell Clark's application to become a Social Innovation Fund intermediary.
	Additional 2010 Social Innovation Funds	2010	2011	1 yr.	\$4,000,000	to invest at the sub-grantee level in youth and workforce development organizations selected by the SIF intermediaries through an invited or open request for proposal process.
	2011 & 2012 Social Innovation Funds	2011	2012	2 yrs.	\$6,000,000	to continue to support the SIF in the outyears, if the initial demonstration provides promising results.
MICHIGAN						
	Additional Michigan Funds				\$4,500,000	
OTHER PIPEINE GRANTEES						
HUD / The Community Builders	CHOICE Neighborhoods	2010	2012	2 yrs	\$3,000,000	to demonstrate, in 2 to 4 communities, how to leverage a continuum of community services (basic need supports, education and work) – using the platform of public housing – to create viable, thriving communities responsive to residents' needs.
Food Research and Action Center	(benefits access)	10/1/2010	12/31/2012	27 mos	\$750,000	to provide technical assistance to 8 to 12 target states. Within two years, FRAC will to drive significant improvements in states' food stamp policies and practices and facilitate the connection between access to food stamps and benefits like WIC, school breakfast and lunch, summer feeding programs, and Medicaid to benefit hundreds of thousands of people.
Urban Institute /Ford Foundation collaborative	Work Supports Initiative (benefits access)	2011	2012	2 yrs	\$2,000,000	to provide a select group of states the opportunity to design, test and implement 21st century public benefits systems. To catalyze the development of streamlined state systems that are responsive to the needs of beneficiaries and generate administrative efficiencies. The state demonstrations will be evaluated so that promising practices can be further refined in other states nationwide.
Center on Budget and Policy Priorities	(benefits access)	10/1/2010	12/31/2011	15 mos	\$250,000	to work with a handful of states and the US Department of Health and Human Services to design policies and processes that will permit states to automatically enroll 4 to 5 million food stamp participants in Medicaid and SCHIP.
Office of Vocational and Adult Education	(education)	2010	2011	1 yr	\$3,000,000	to work with states to address the low-literacy levels of individuals entering sector-based career pathways, target education and job readiness interventions for incarcerated individuals pre-release, and provide more re-engagement services to disconnected youth to get them back in school.
Jobs for the Future	Making Good on a Promise (education)	10/1/2010	12/31/2012	27 mos	\$3,000,000	to establish a more effective and efficient Back on Track/GED to College pathway for vulnerable 18-26 year olds and begin to scale its key components in lead programs in the youth-serving sector, school districts, and community colleges, resulting in 9,800 dropouts over the next three years earning a high school credential and entering a postsecondary education or training program well-prepared to persist to a credential with value in the labor market.
National Youth Employment Coalition	(education)	10/1/2010	12/31/2012	27 mos	\$1,000,000	to build and test the capacity of 6 of their sites to deliver a post-secondary education component as part of their core workforce development programming, reaching 400 disconnected youth.

Organization Name	Project Title	Begin Date	End Date	Term	Amount	Purpose
